

**Would you be interested in the opportunity to help build and shape services for children and young people?
Would you like to be part of a youth led national programme giving young people a voice in services for them?**

Young people will receive an **accredited qualification** through their participation and will receive **payment of £75** for each completed inspection.

Staffordshire has been successful in being awarded funding under the Youth4U - Young Inspectors programme. Youth4U – Young Inspectors will recruit, train and support young people to investigate and assess how local services are doing and recommend improvements. Young people will receive an accredited qualification through their participation and will receive payment for each completed inspection.
